

PRAYER POINTS

- 1) That in the passing of the Baton to each town and region, there would be a transfer of Holy Spirit power that overrides all other powers and that enables a greater measure of release of God's mercy, blessing and His desires and purposes for that town / region
- 2) Our overarching prayer is for **revival and transformation**, a mighty awakening city by city, town by town across Australia and for many, many of our fellow citizens to encounter Christ.
- 3) Our theme is - Lord, may your Name be honoured above all else, may your Kingdom come, may your will be done across our nation as it is in heaven.
- 4) We are praying for indigenous Christian leaders to be strengthened and their voice honoured in the nation.
- 5) Pray for a new generation of young prayer warriors and young evangelists to arise.
- 6) We pray that there will be an unprecedented honouring of one another and a heart for reconciliation and Christian unity birthed and deepened in the hearts of all God's people across the nation.
- 7) Pray that ministry undertaken by churches in each place finds expression in the power and wisdom of the Holy Spirit and the church is able to boldly proclaim the gospel in word and deed.
- 8) That for the athletes, officials and visitors coming from the nations to the Gold Coast for April 2018, there will be God's protection, blessing and special encounters with His love that bring new hope and personal transformation.
