### **Citywide Worship & Prayer**

*Lift Him Up*

Citywide Worship & Prayer Nights are special nights for people from across the different churches and denominational streams to come together to Lift Up our Risen Lord and to Pray for our City.

As with our 2019 Citywide Worship Nights, the prayer component of the evening will involve forming prayer clusters of people carrying a passion for specific areas of the city's life:

- Marriage & Family
- Education
- Media
- Arts and Entertainment
- Justice
- Health
- Government
- Business
