

PRAYER FOCUS FOR THE GOLD COAST REGION JUNE – JULY 2022

The prayer points below are guidelines only...allow space for the Holy Spirit to guide the prayer focus as you pray through them.

PRAISE POINTS:

1. EASTER UNITED

This event once again brought the church of the city together to celebrate the resurrection of Jesus Christ and to provide a strong witness within the City.

- While numbers were lower than previous years it was great to be able to worship together and proclaim the good news of the gospel in the open air with many bystanders listening in and people in the units nearby and as far away as Labrador being able to be a hidden audience.
- Many responded to the gospel message and Alpha courses are now being undertaken by a number of churches across the city.
- The rain cleared at just the right times for it not to interfere with the event. A great answer to our prayer.

2. THE GATHERING: Our annual Pastors Retreat.

The sharing between pastors was authentic and encouraging in its depth. The momentum towards Kingdom mindsets and a heart for one another continues to grow. There was a great sense of unity in the room. Pastors were encouraged and strengthened.

PRAYER POINTS FOR THE CITY IDENTIFIED AT THE GATHERING

- Above all else we need to seek His Kingdom and His righteousness rather than our own kingdoms. (Haggai 1:7-11)
- There is a place for examine as we seek to walk with our Lord and pursue His plans and purposes for our churches and the city.
 - What do we need to overcome?
 - What are we prepared to give up?
 - What are we prepared to risk?
- We are being challenged to come out of our caves, and make room for the Holy Spirit to move outside the church walls.
- Pray for the exposing of unrighteousness and compromise and the raising up of Godly servant leaders across our city.

PRAY FOR THE BODY OF CHRIST ON THE GOLD COAST

- Pray that where passion has been lost that it would be restored. Pray for a restoration of first love.
- Pray that a culture of honour, love and humility would be built across the church. Ephesians 4:1-6
- Pray for there to be a move from apathy to attention so that the church is awake to what God is releasing in the city and that we are prepared for what is to come.
- Pray for a fostering of a culture of prayer across the city. (Acts 2:42) A number of churches are already stepping into a stronger emphasis on prayer and seeing a deeper connection with the heart of the Father.
- Pray for the Re-opening of the wells of revival that were dug by previous generations so revival will spring up. Faith increasing for revival. The church moving forward in boldness and unity into the harvest field.
- That we would indeed be the salt of the earth and light of the world. (Salt not pepper)

- Pray that we will be filled afresh with the Holy Spirit (our power source) rather than adopting the ways of the world to pursue our ministry. His ways are not our ways.
